

CO-STEEL SAYREVILLE

Dear Dave,

Thank you very much for your prompt, courteous service you gave me the other day with the removal of the Solid Wastes at the warehouse.

I would like to thank also Nick Romano and Jimmy Kostoulas for their service. They were both very professional and courteous while here. They worked without bothering anyone and did it in a timely fashion. They also cleaned up the area after they were finished. My hat's off to them.

Thank You Again!
